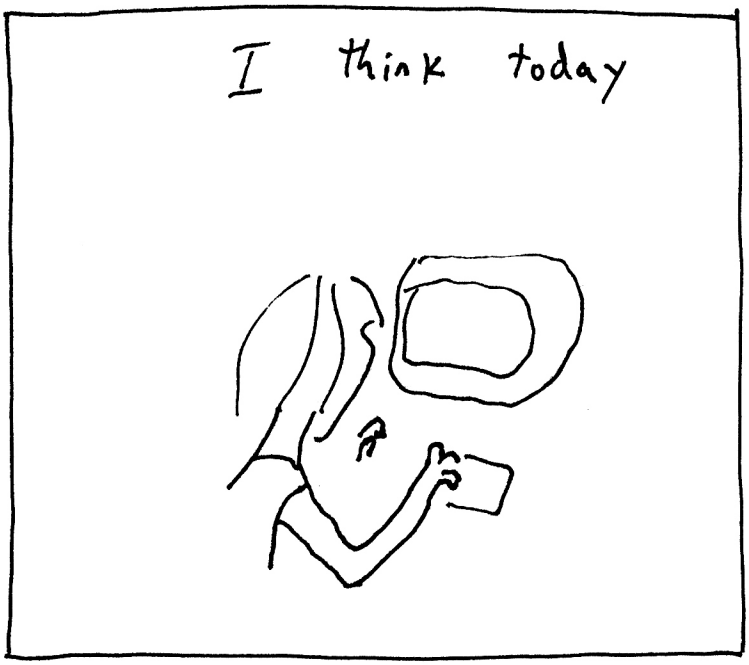
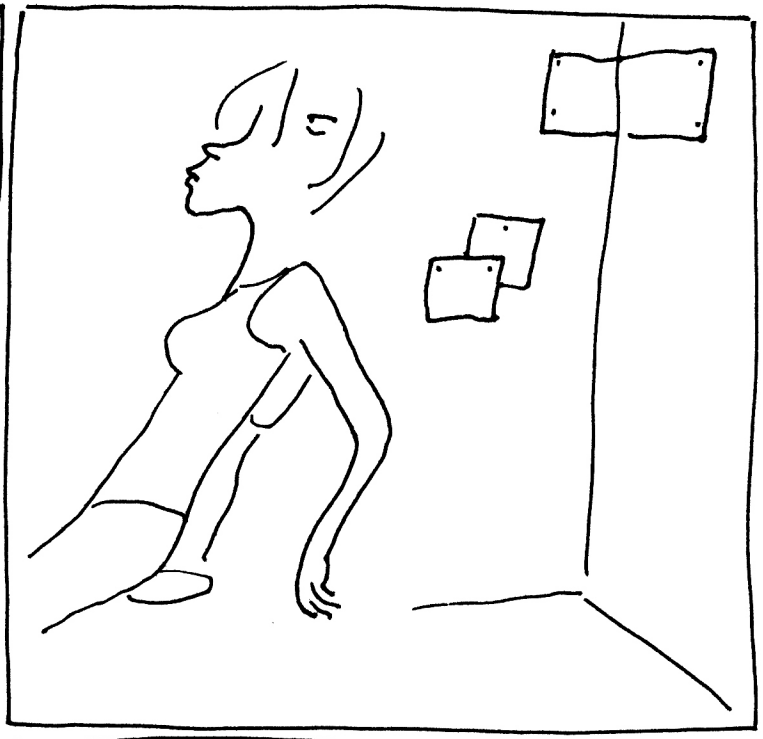
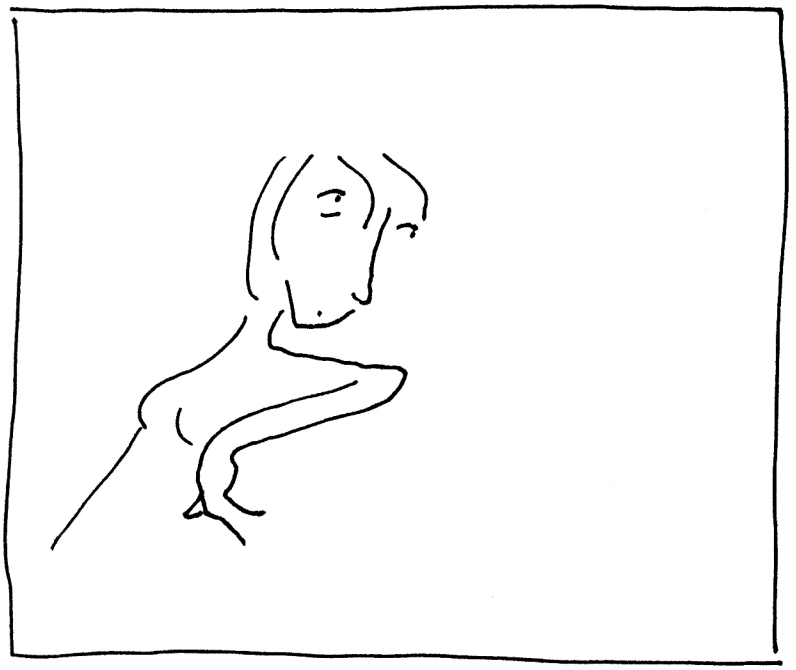
Liam McTaggart

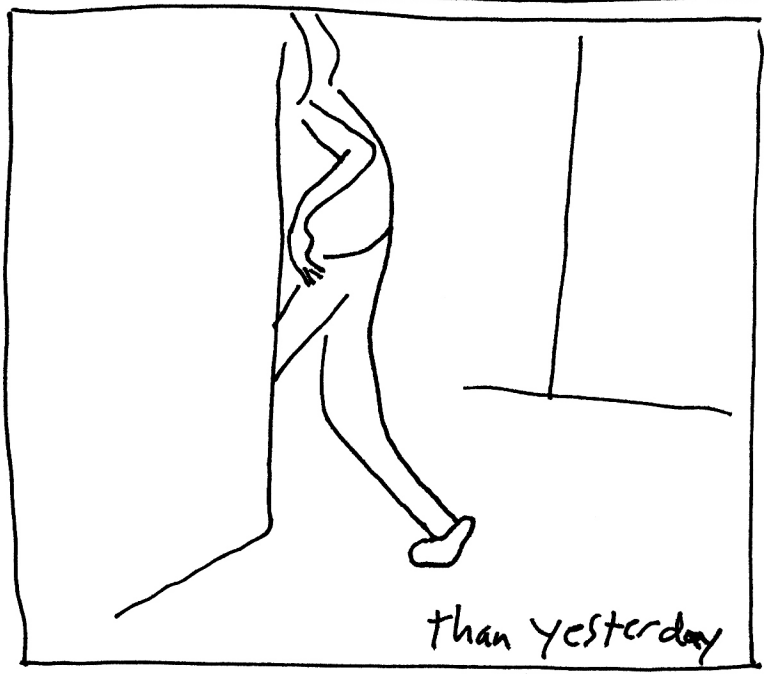


I think today

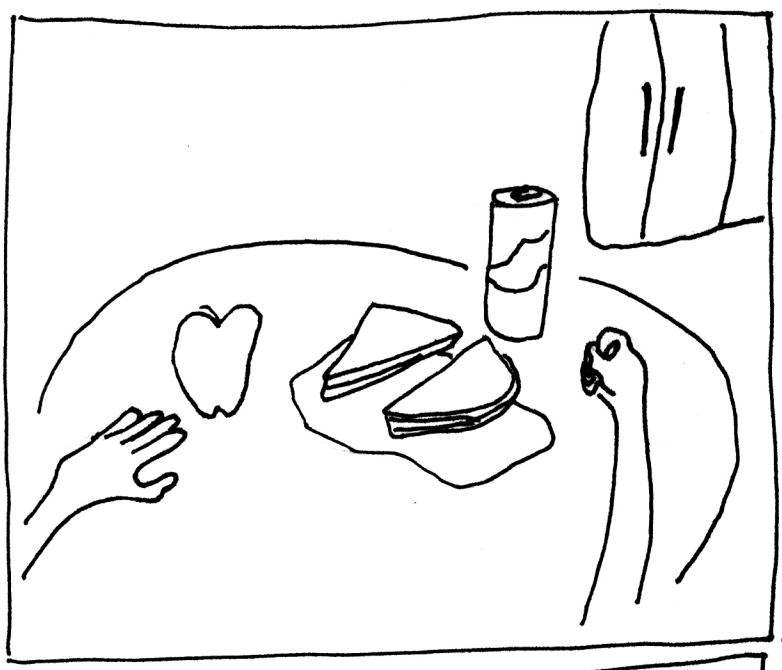
will be a little
better

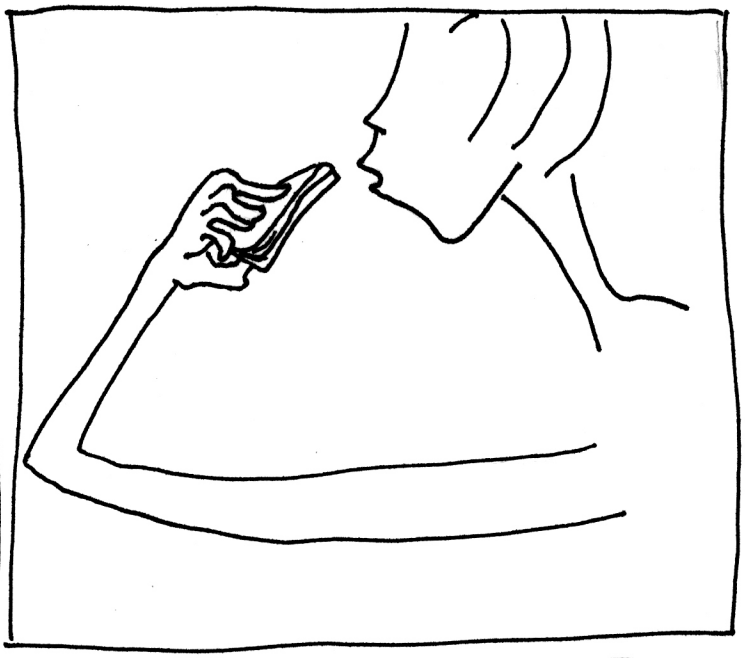


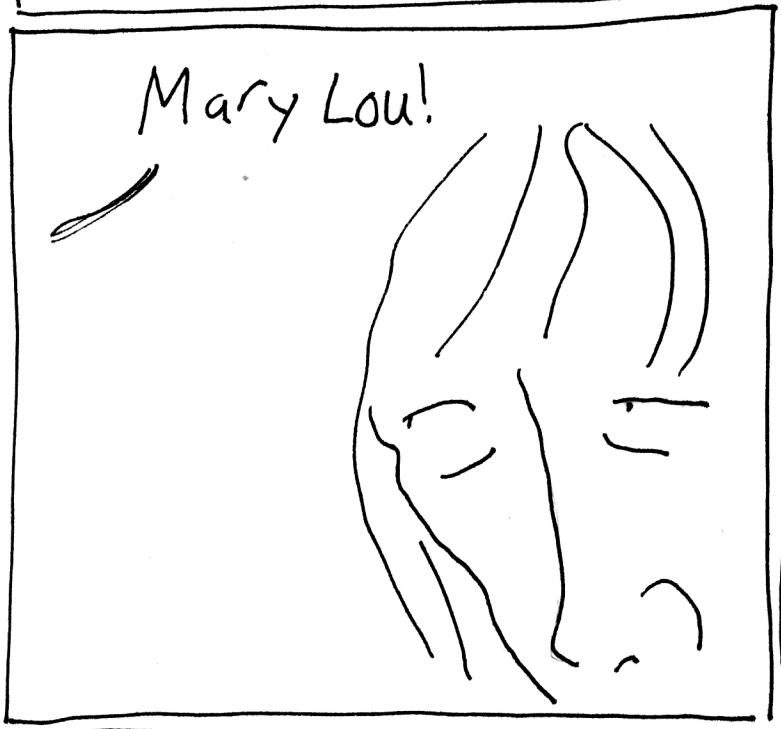




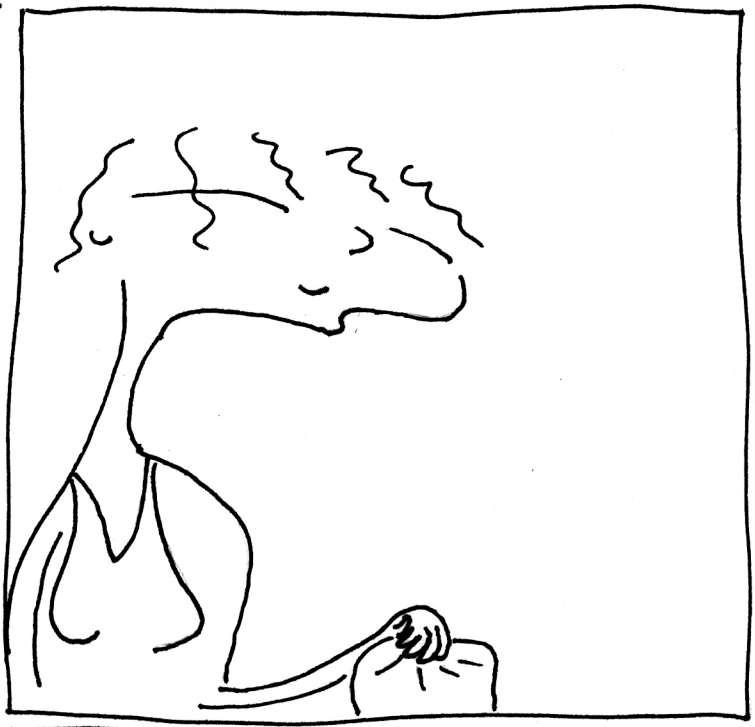
than yesterday



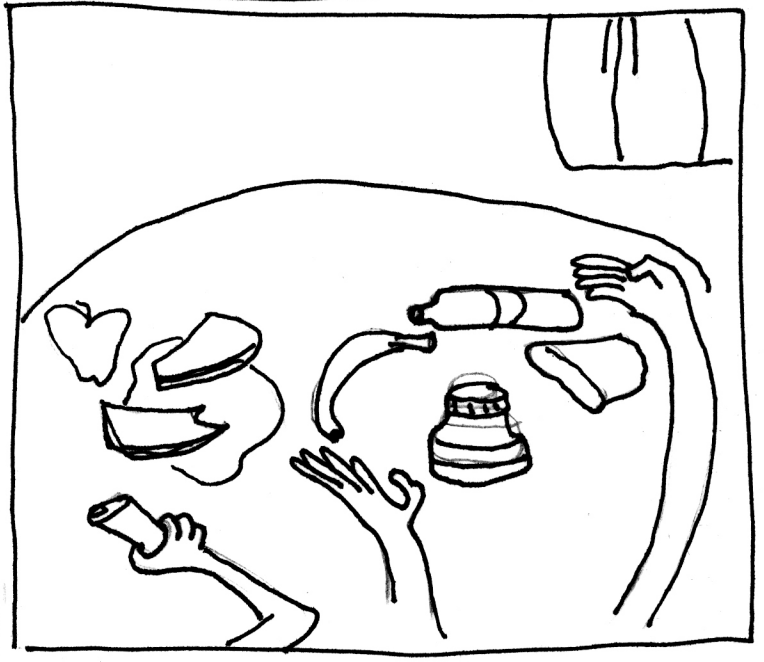




Mary Lou!



How are you today?

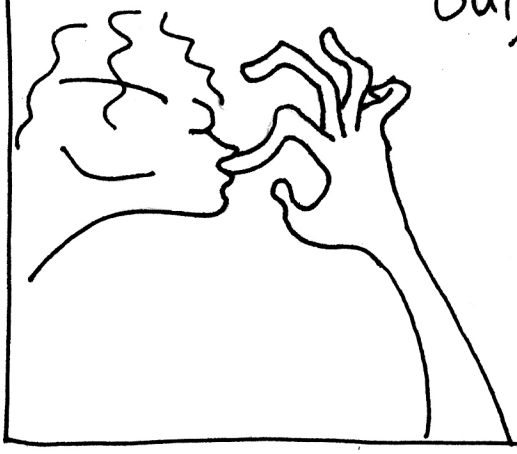


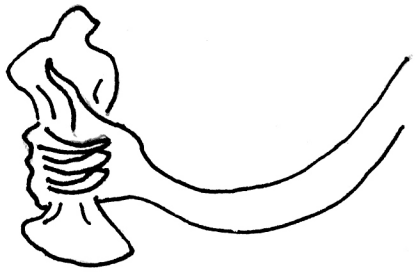
Not bad, you?
oof, ready to go home, haha

I feel ya
twist
Pop

Debra befriended me quickly

She's definitely the outgoing one

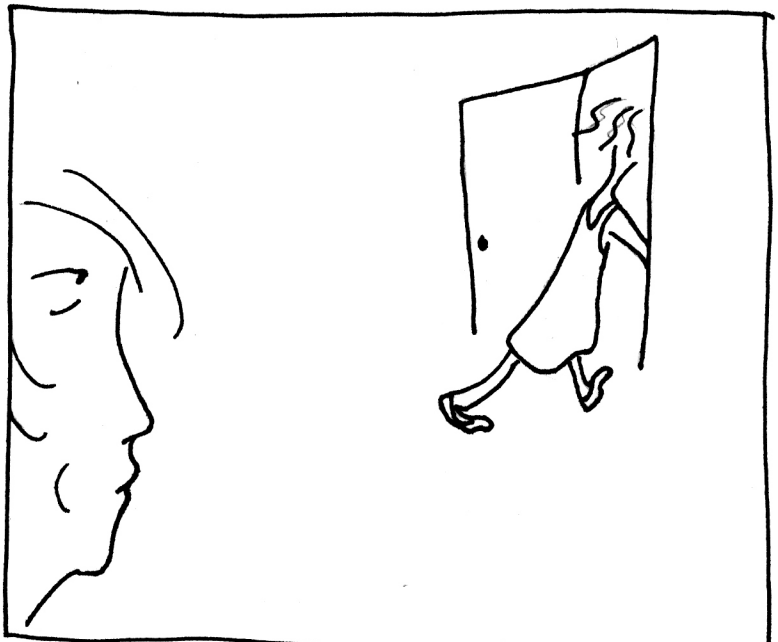


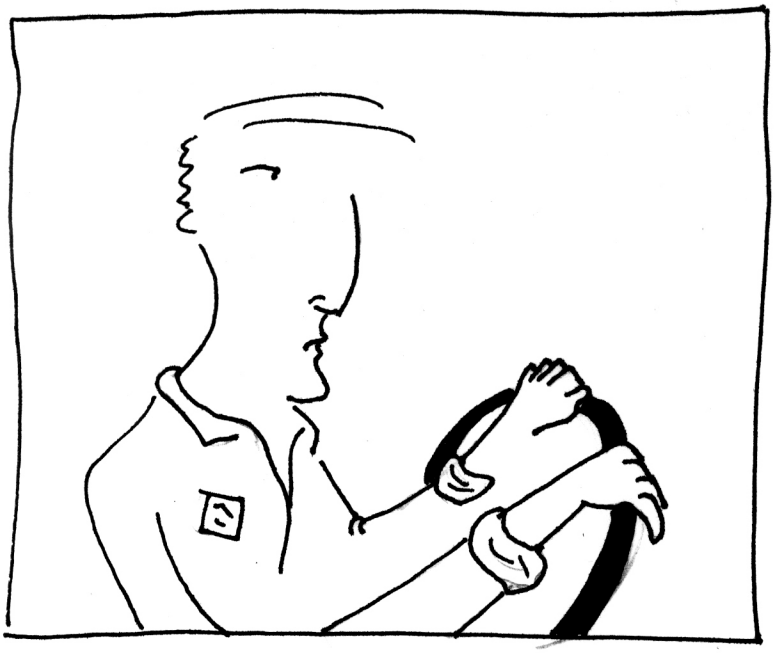


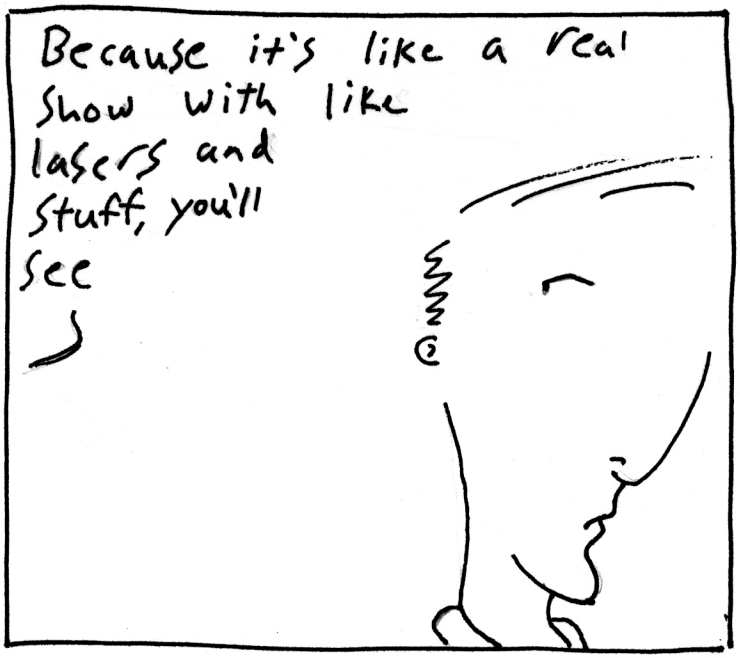
I feel bad being quiet

But I'll continue to be suspicious

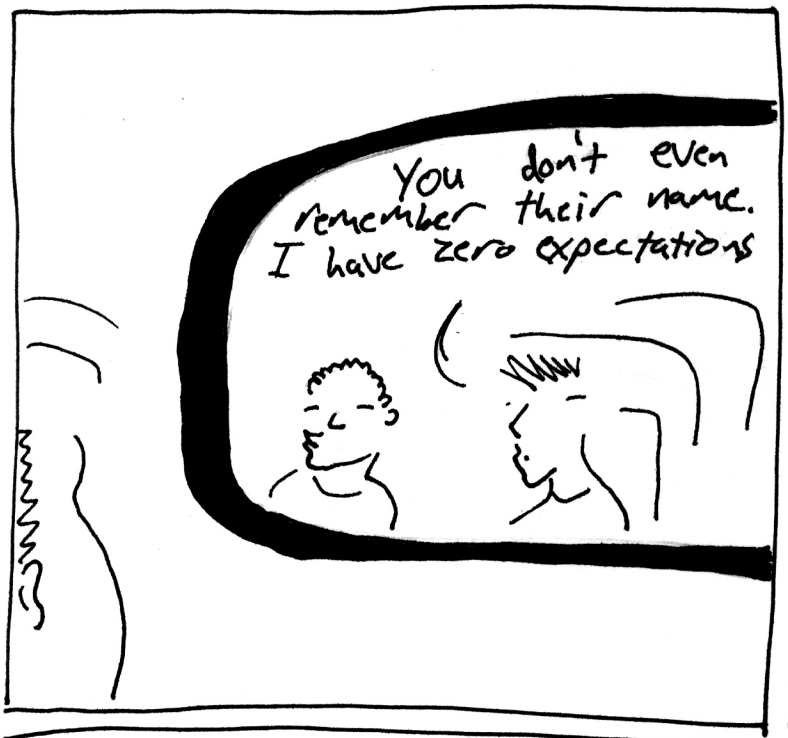
Until she asks me to hang out





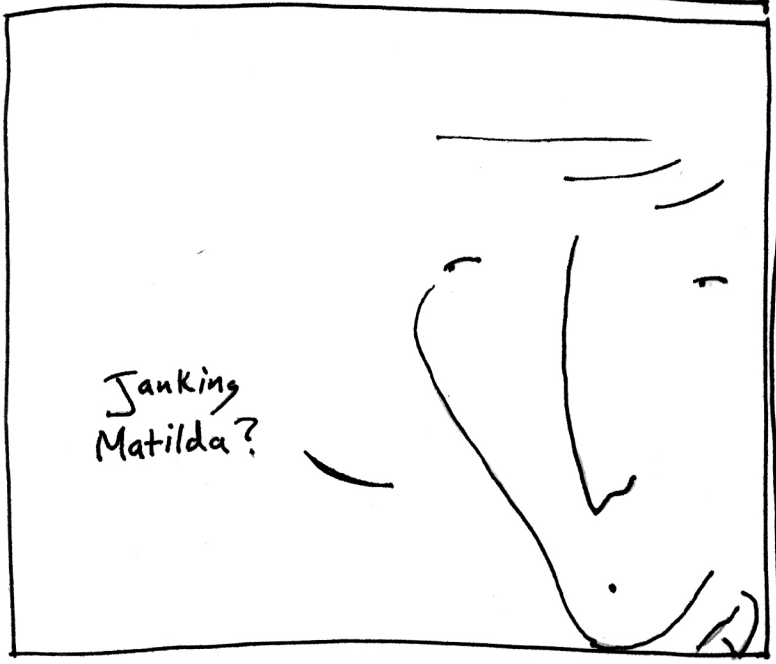


Because it's like a real show with like lasers and stuff, you'll see

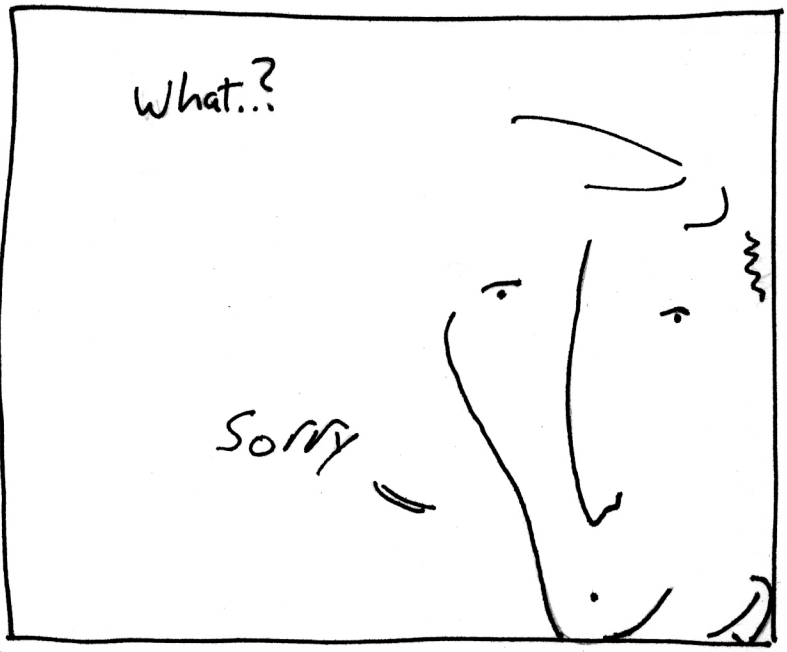


You don't even remember their name. I have zero expectations

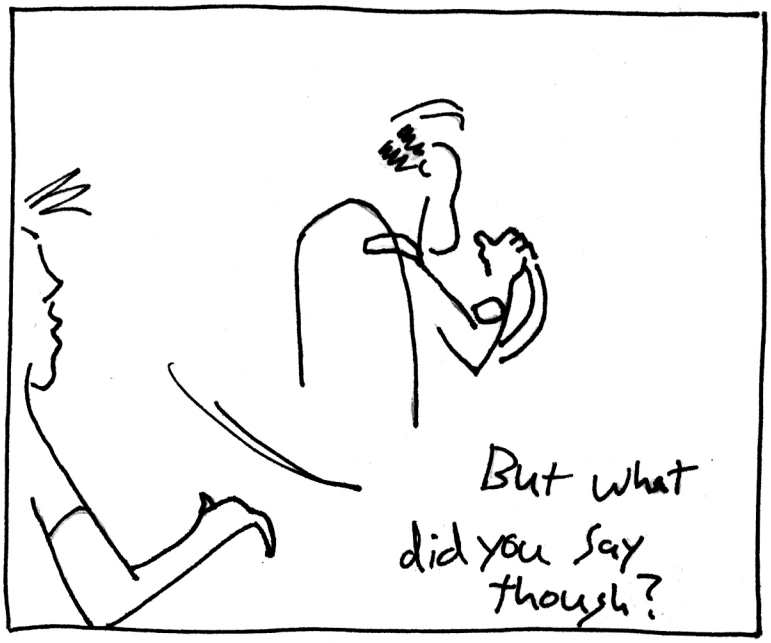
It's not on the tickets! It's something like... Jaunting to... Music?



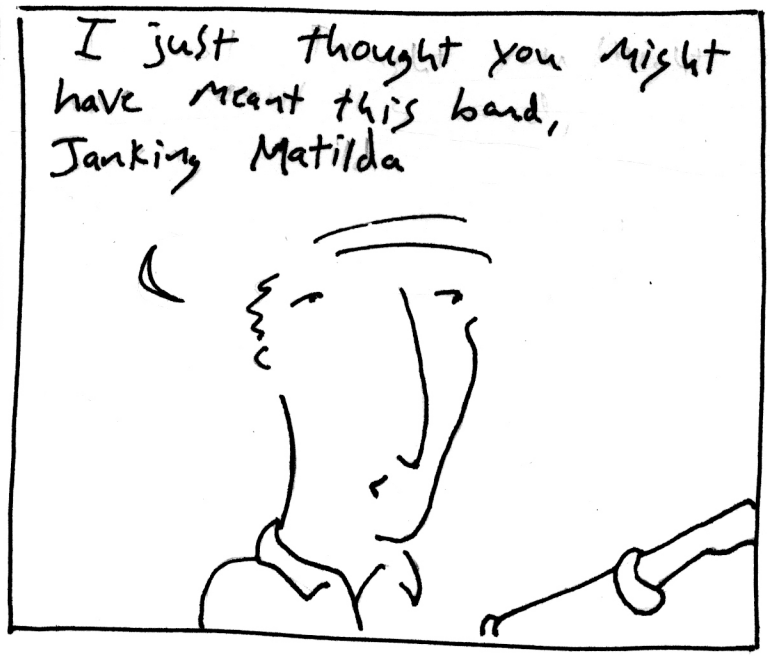
Janking Matilda?



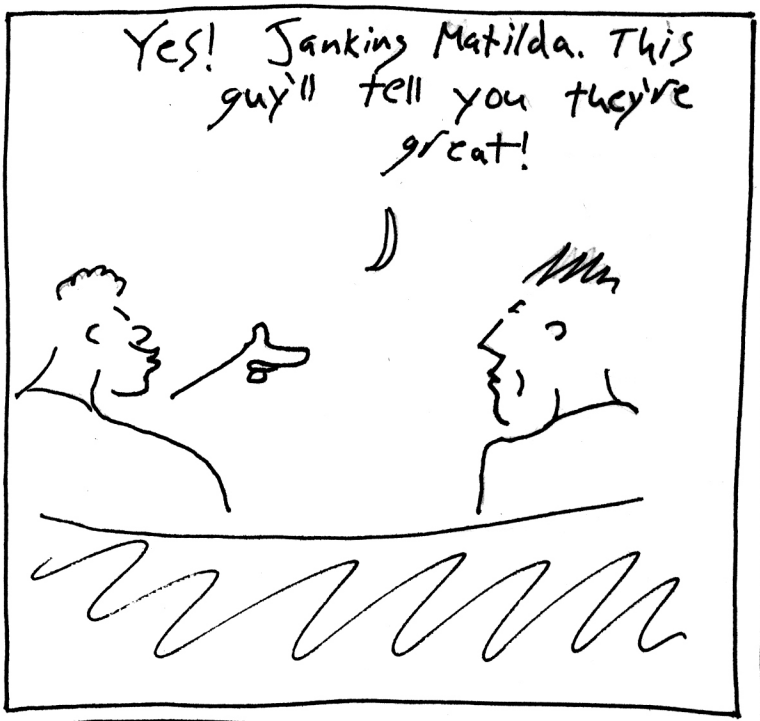
What..?
Sorry



But what did you say though?



I just thought you might have meant this band, Janking Matilda



Yes! Janking Matilda. This guy'll tell you they're great!

Well I haven't seen em since they started getting all crazy

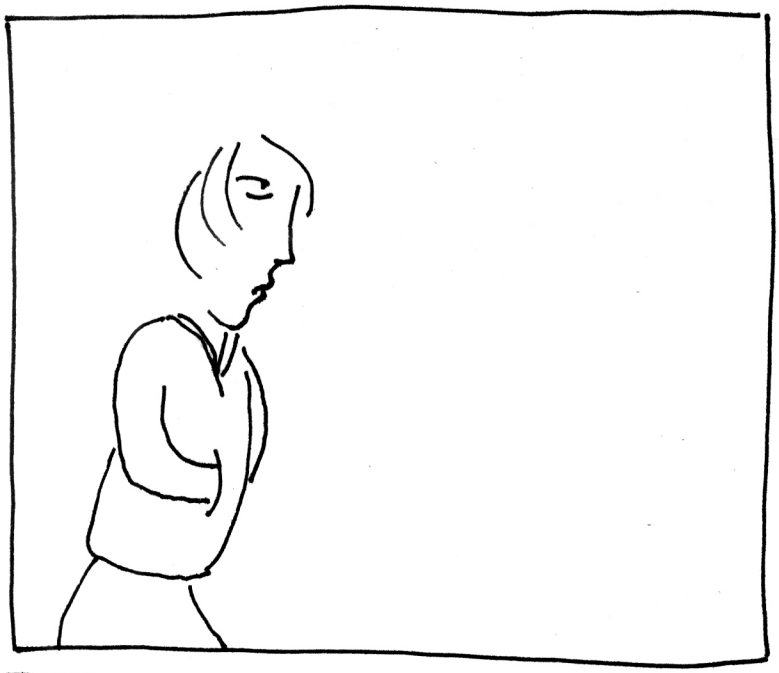
Actually, last time I saw them they were still um...

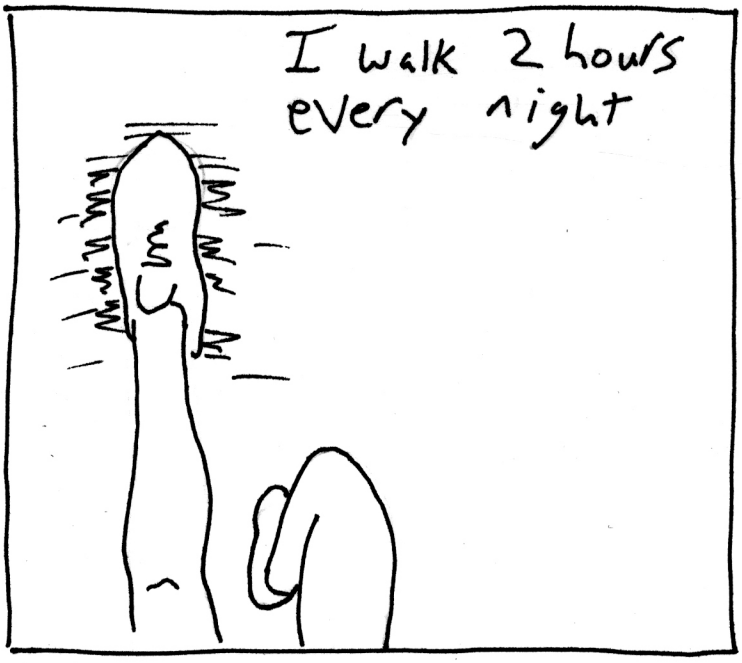
"Please Don't Kill Me"

Please Don't kill Me?
Really?
Shit, I'd rather see that band.
Yeah...
Yeah, they were sort of, um...
Acoustic?
I guess?
Are you serious?
hahaha

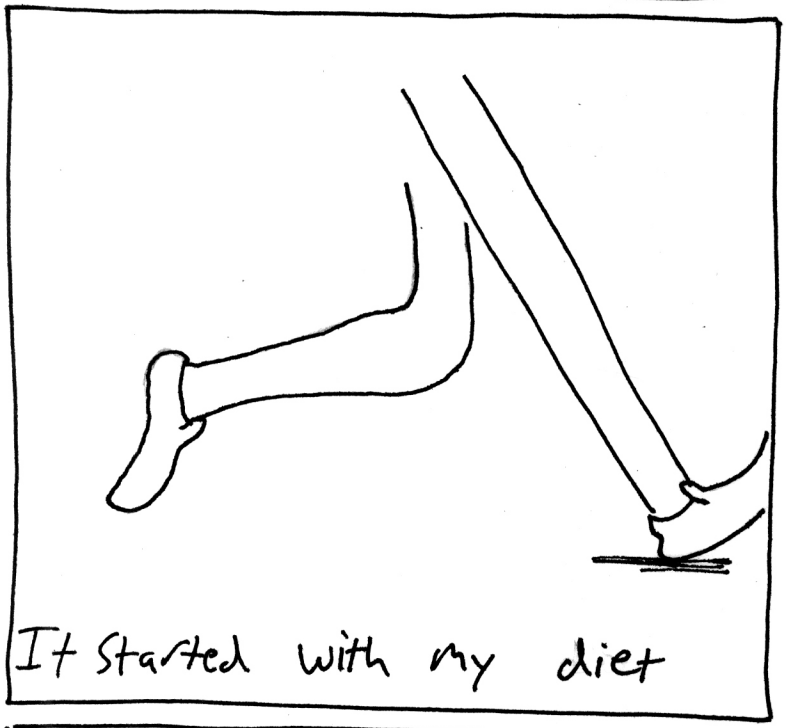
Well, they were still weird – and still good
I can't even picture that. When was this?
God, that must have been... 20 years...
NO! Uh... 16 years ago, yeah
Well that kinda makes sense really, they're all pretty old, haha
Are they?

well anyway, uh, thanks... dude
haha, yeah, good thing our bus driver is a music expert.
Bus Driver Music Reviews, haha

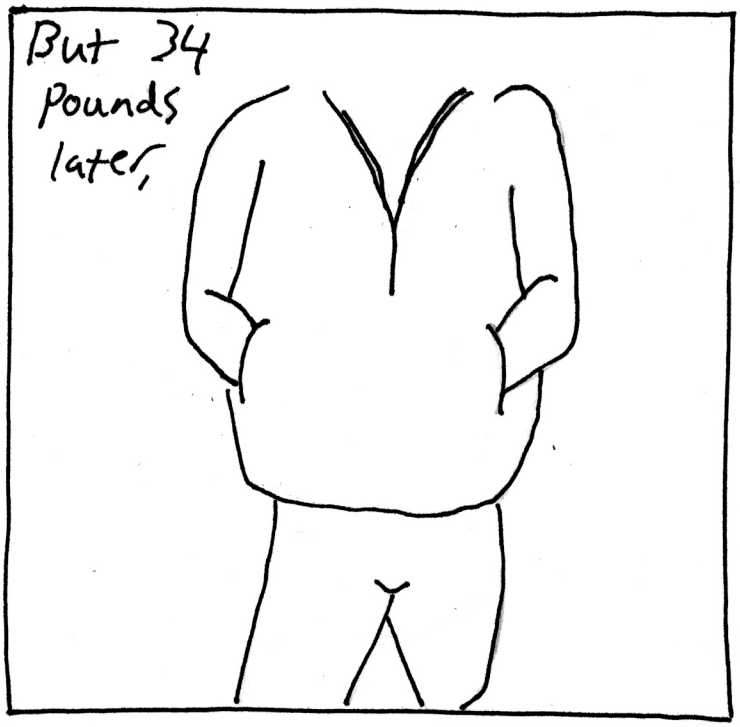




I walk 2 hours every night

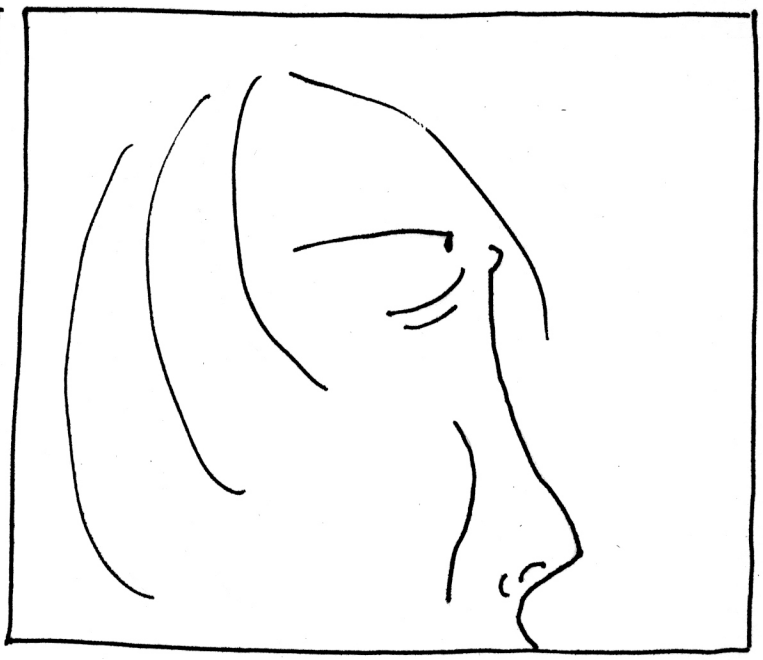


It started with my diet

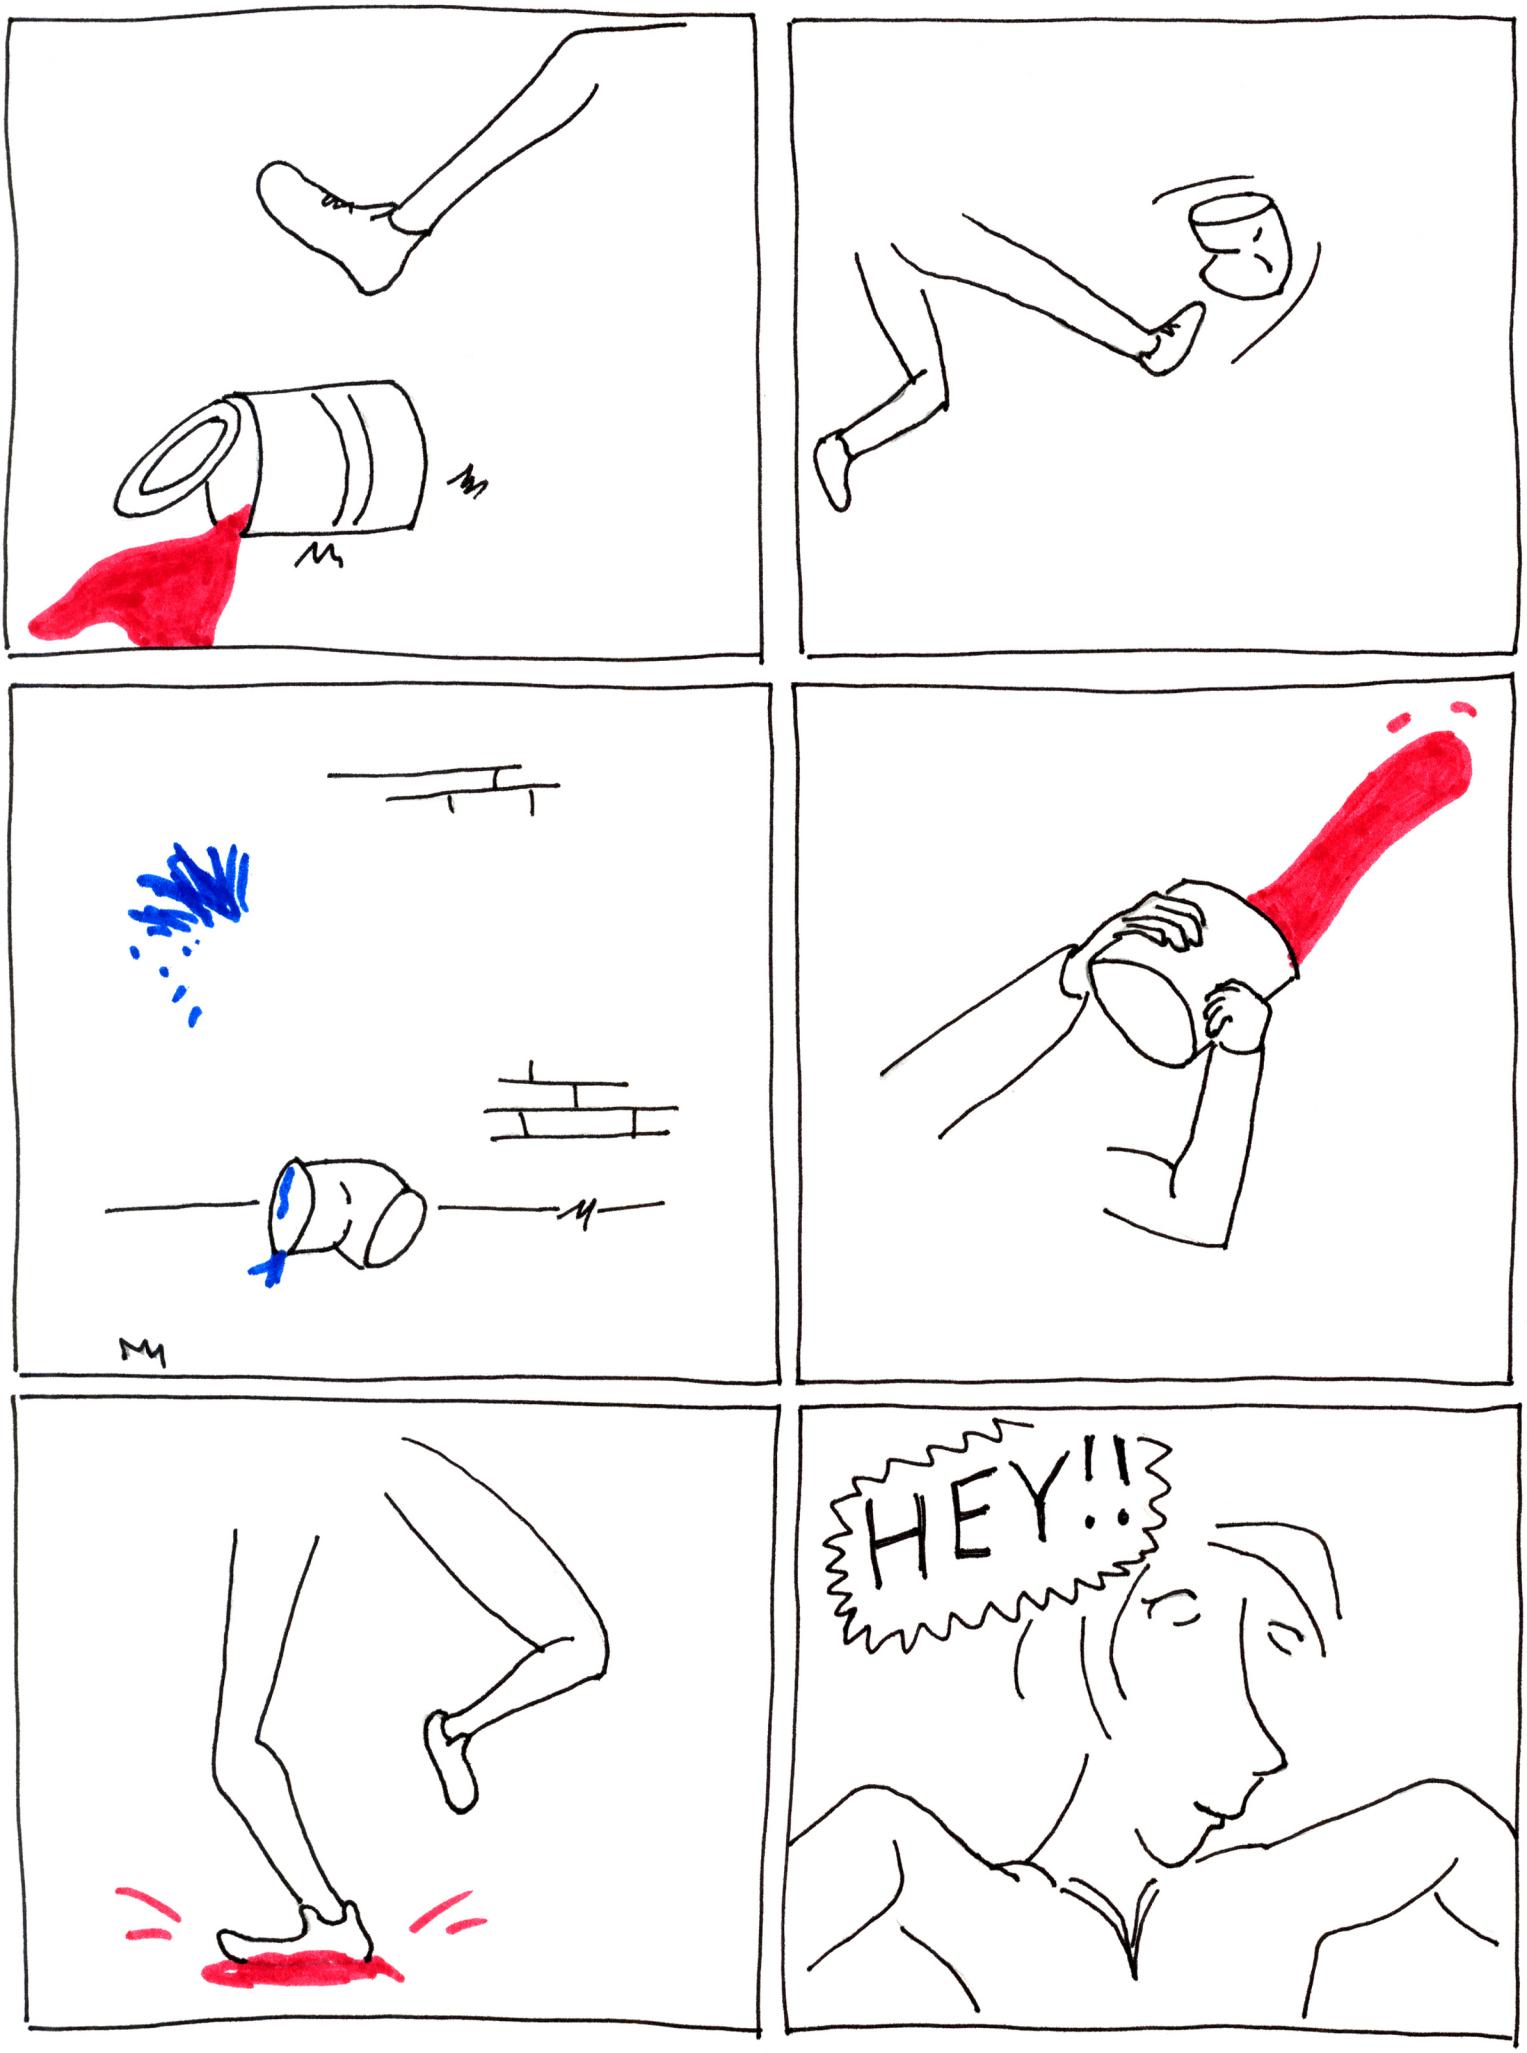


But 34 pounds later,

Now I'm just sort of walking



nudge



HEY!!

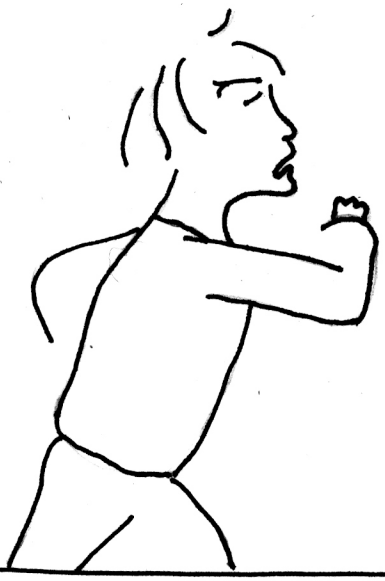
What the fuck?
Sorry, Sorry
I'll leave.
Well, what the fuck are you doing?
I thought
What did you think?
You didn't realize this was somebody's Property?
I SAID I'M SORRY!
What does "Sorry" do?
I don't know what I thought! I'm an idiot!

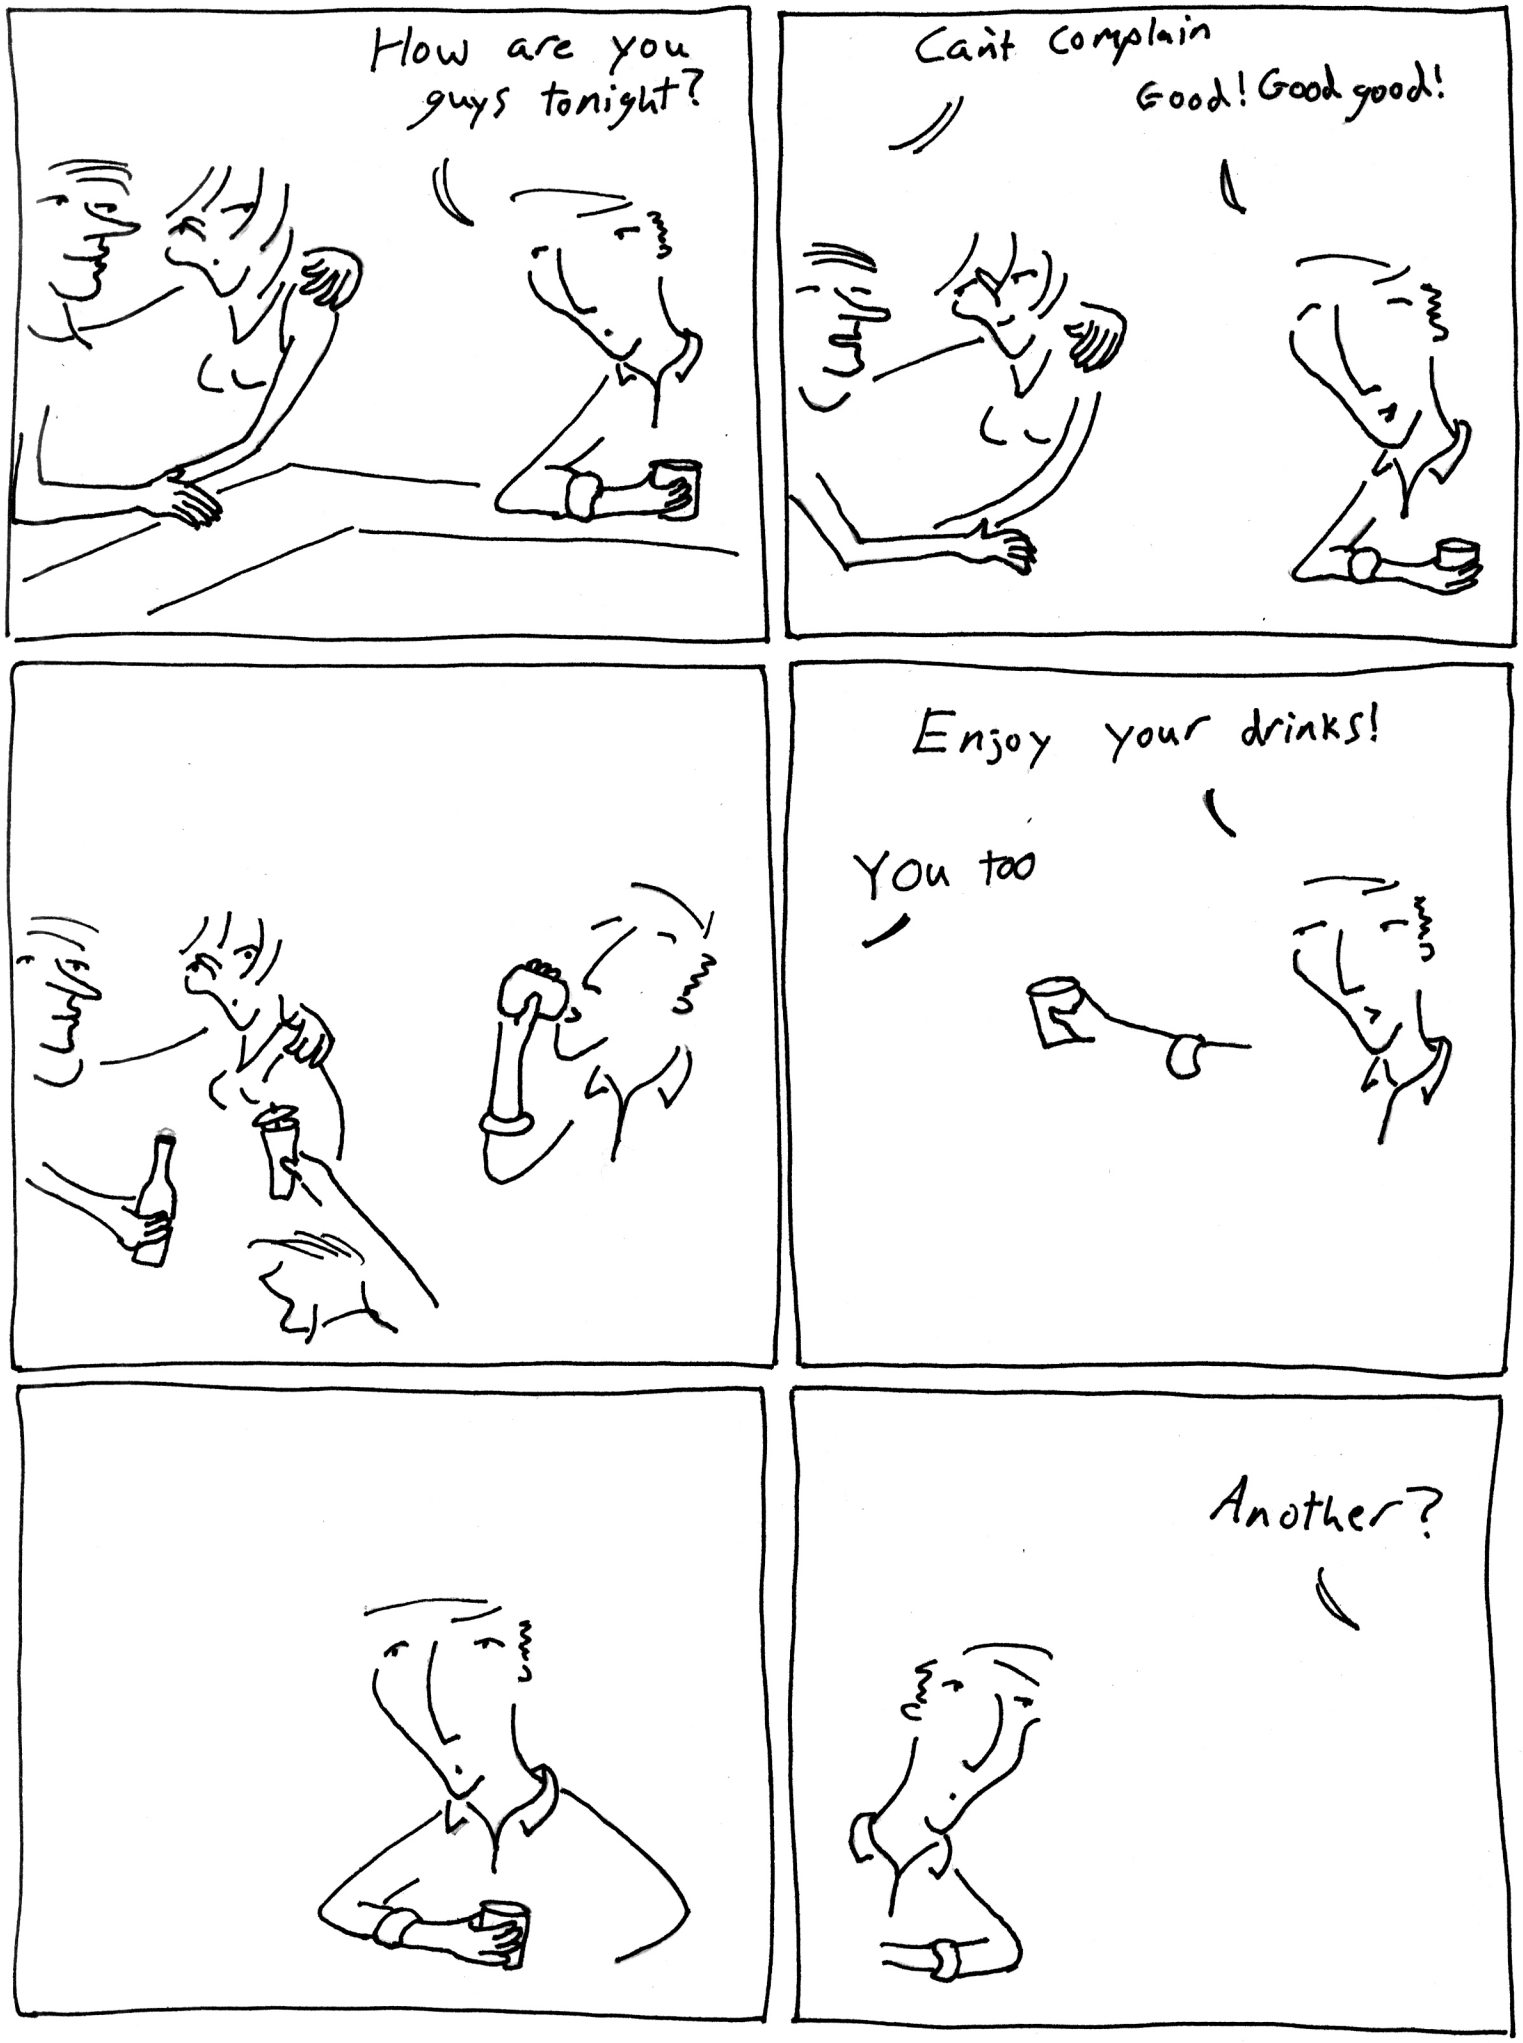
You're gonna stay right there while I call the police.

NO! I'M SORRY!

Don't Move!

NO!





How are you guys tonight?
Can't complain
Good! Good good!
Enjoy your drinks!
You too
Another?

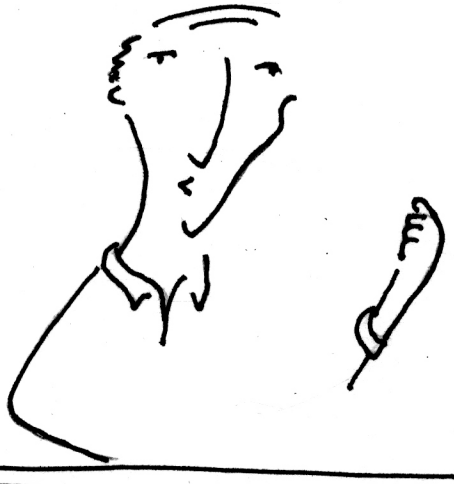
Please
Having a good night?
yeah, I uh
what was that?
I say yeah, my uh... wife is... walks two hours every night.
You don't say
Yeah, so while she's gone I go ahead and...
heh heh

That works Well

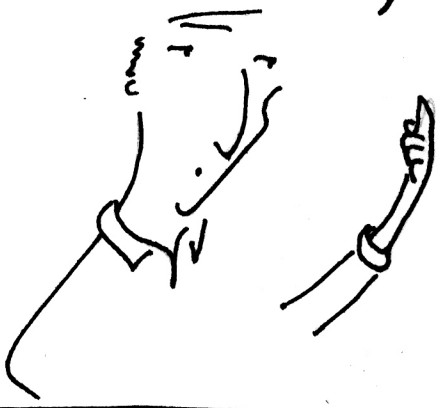
I could stay like another... hour and a half

That's funny

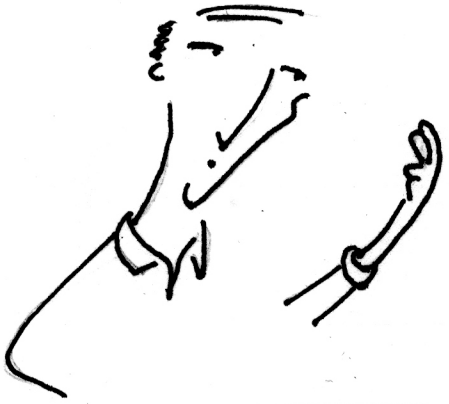
I see her....



In the morning...



And if one of us gets up to pee in the night



That's Funny

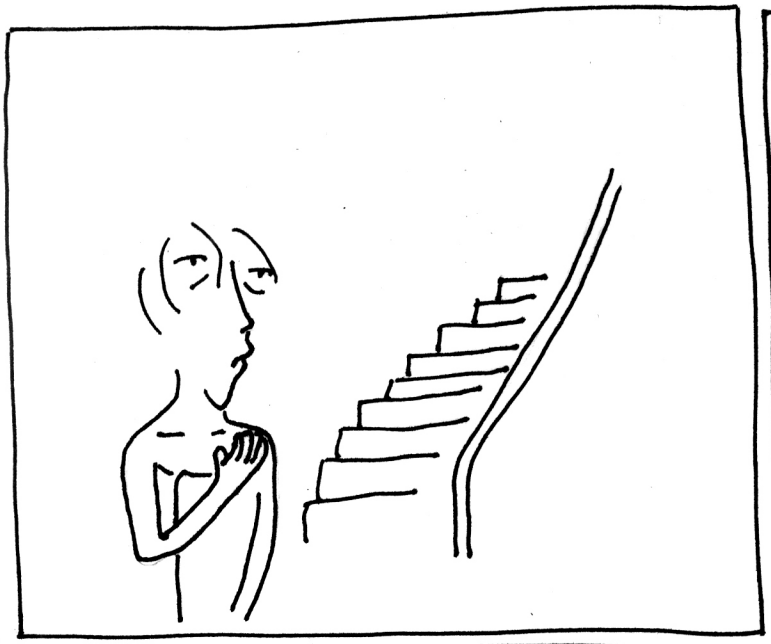
You got somebody to drive you home tonight?

Nooo, I'll walk, it's...

It's not 2 hours, but it's still exercise!

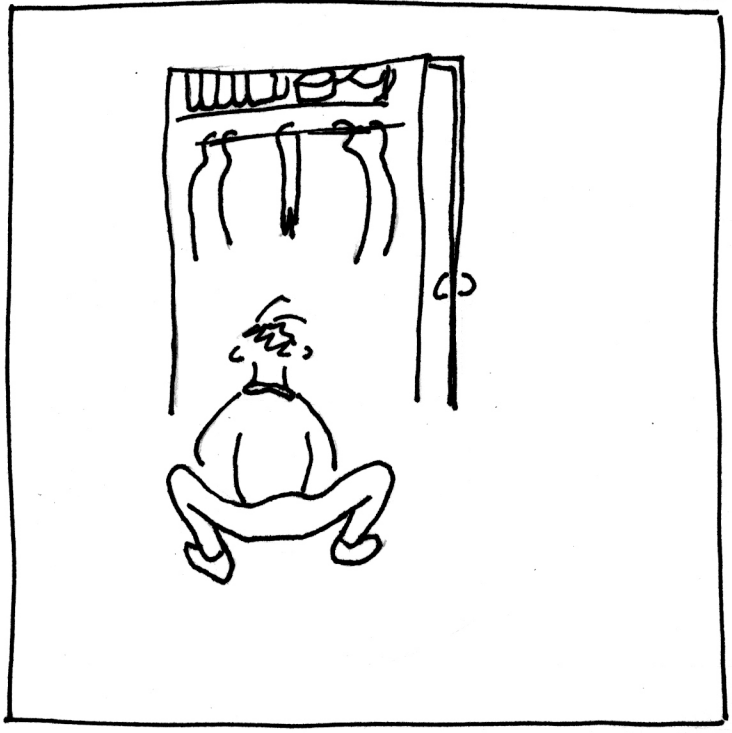
That's funny — be safe tonight

I will
Thank you
I appreciate it!
Ha HA
Ha Ha
Ha

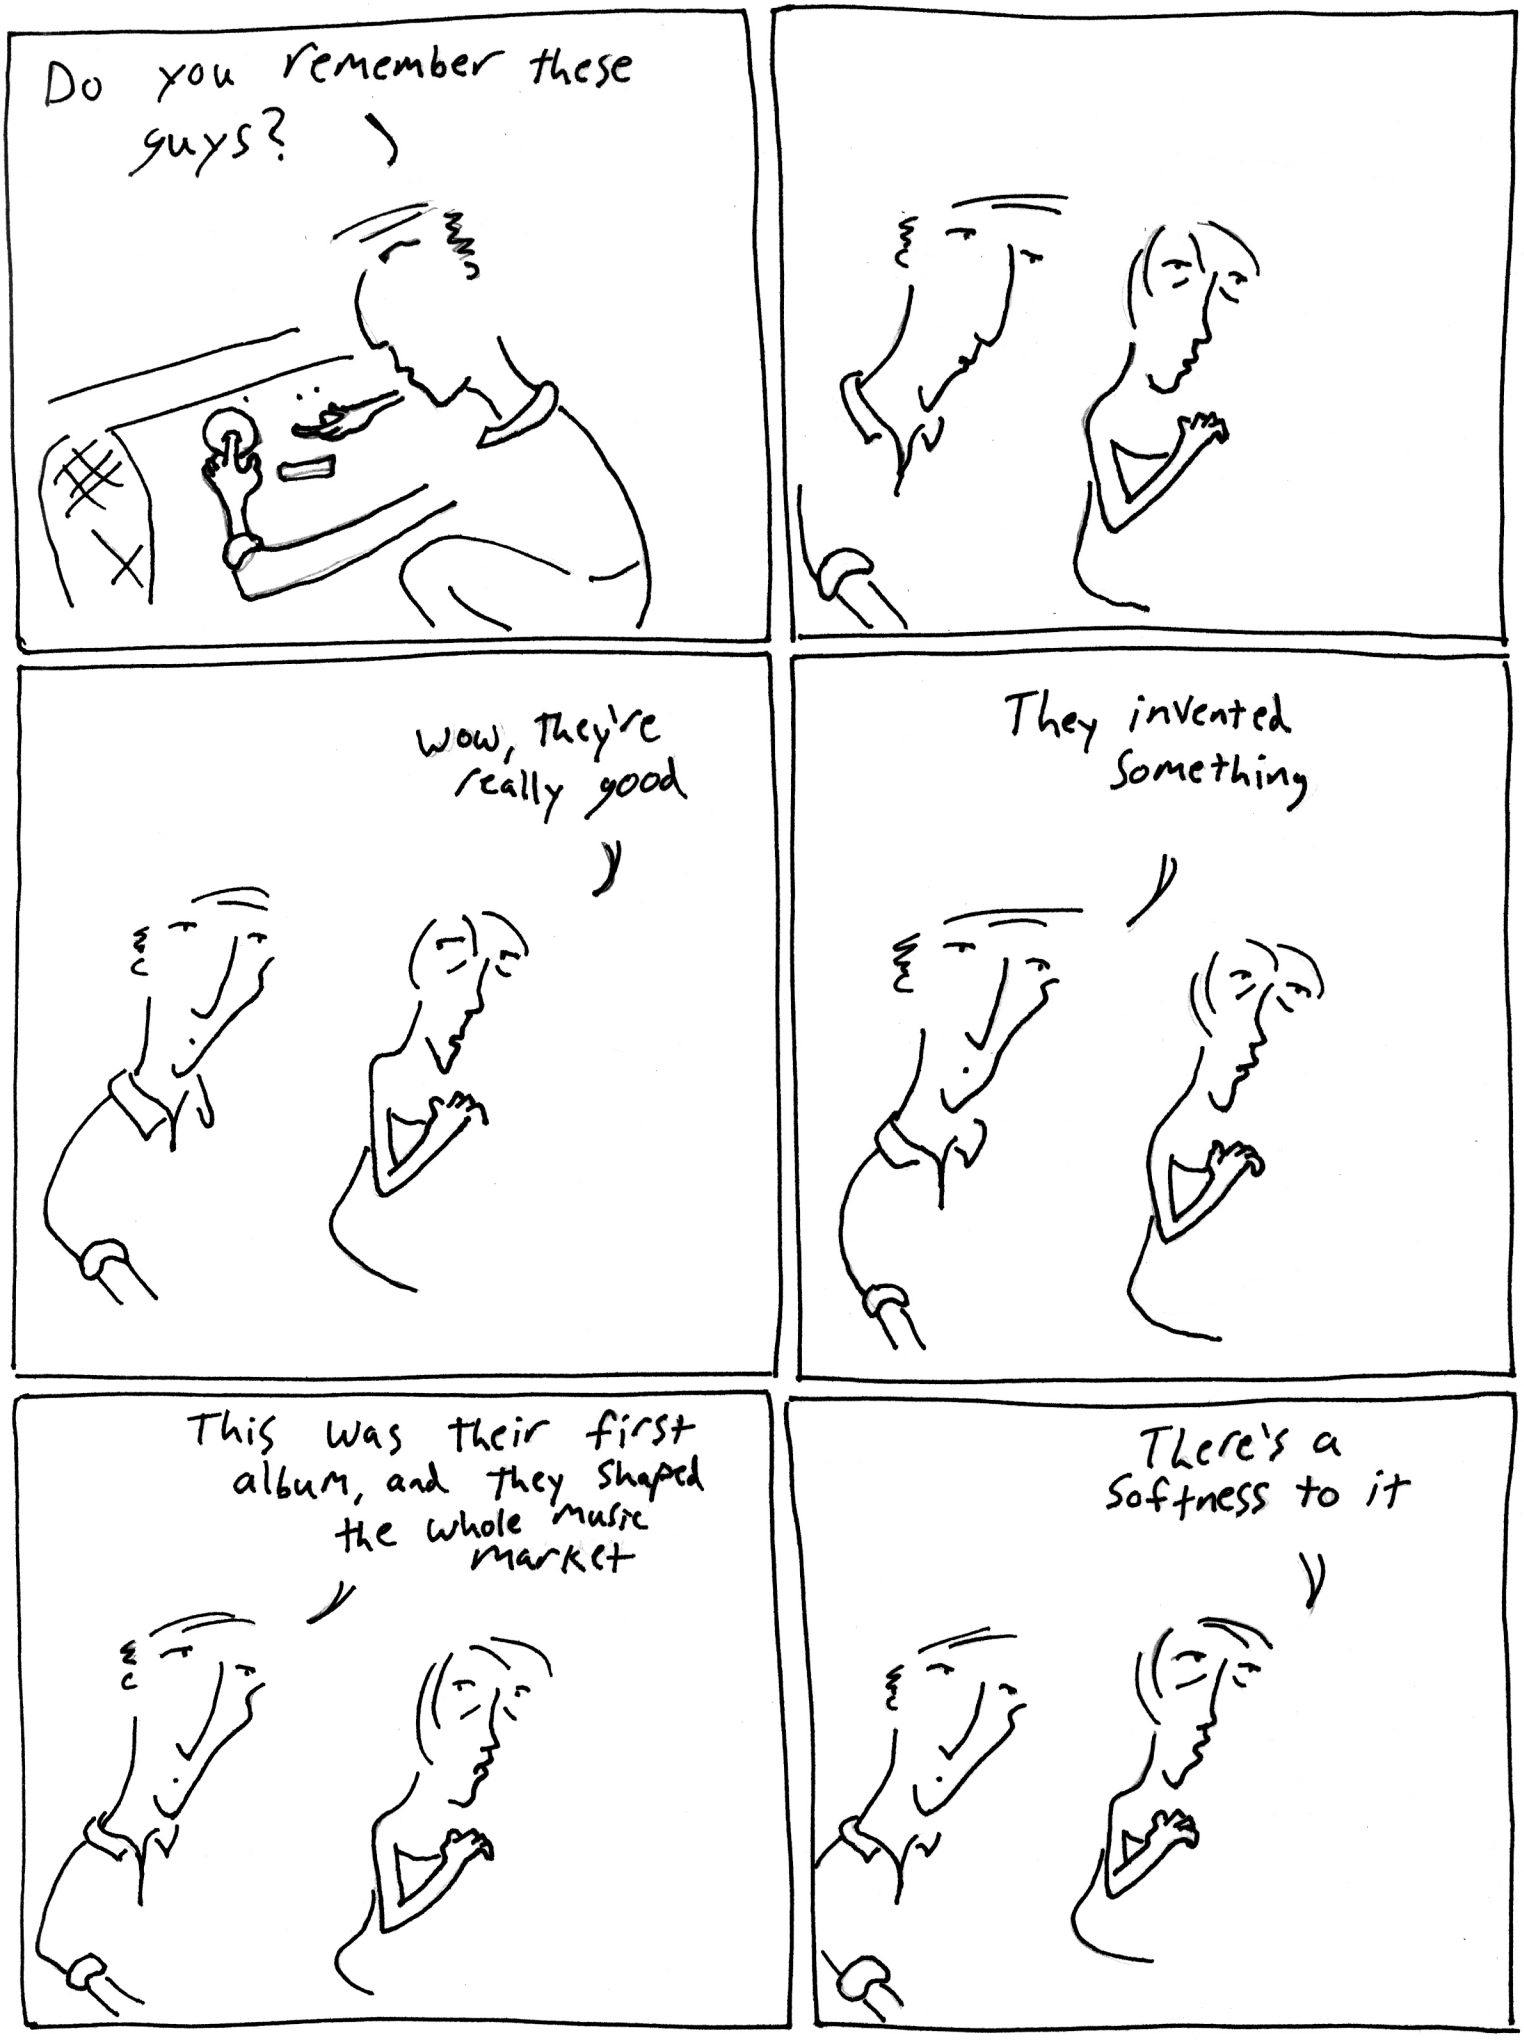


Do you know where my old CD's are?

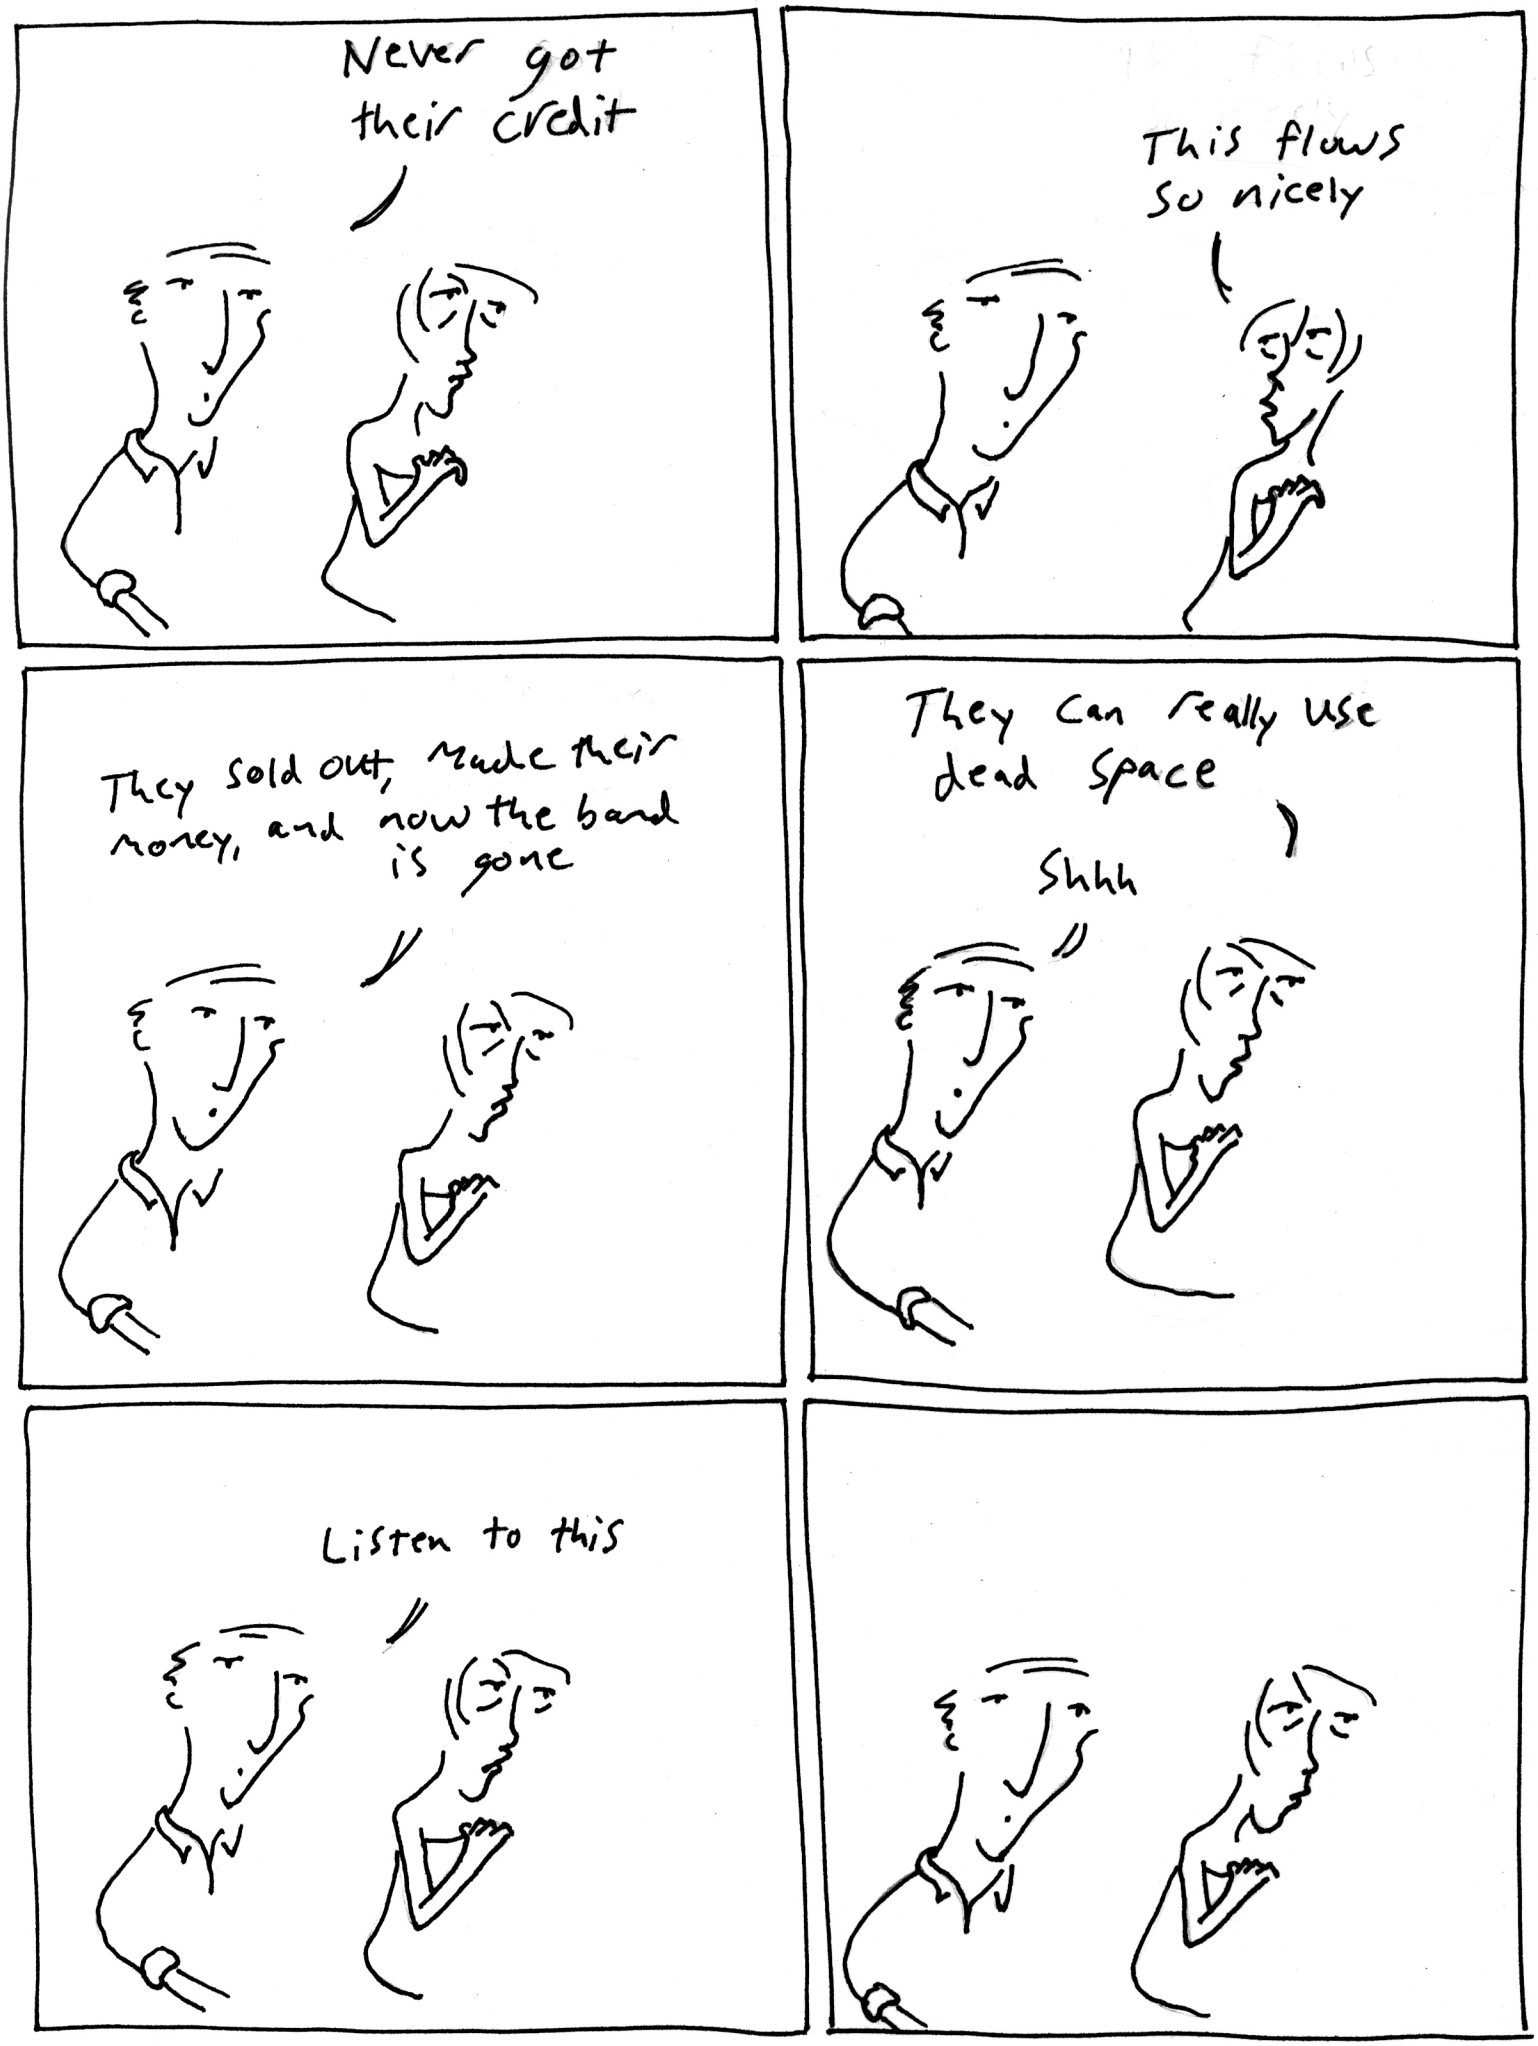
Uh, maybe top shelf of the closet?



HERE we go!



Do you remember these guys?
Wow, they're really good
They invented something
This was their first album, and they shaped the whole music market
There's a softness to it



Never got their credit
This flows so nicely
They sold out, made their money, and now the band is gone
They can really use dead space
Shhh
Listen to this
